Research for You

Recruitment Screening Service for User Experience Researchers

Our Company

Research Methods

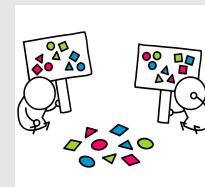

Interviews

Answering questions and talking to the researcher about your experiences. Last anywhere from 15 to 60 minutes.

Field Studies

Researchers collecting data in natural settings. Time varies.

Closed Card Sort

Researcher tests the user by asking them to sort the given cards into the categories given. Typically around 15-30 minutes.

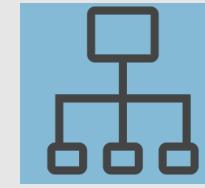

Surveys

Choosing answers that best fit your experiences based on the options provided for each question. Last anywhere from 5 to 30 minutes.

Usability Testing

Evaluation of a product by testing it on the users. Time varies.

Tree Testing

Evaluates the findability of topics on a website. Given a scenario and the user will click the tabs which they believe will lead them to the answer. Usually around 10 minutes.

Focus Groups

Placed in a group where you and other participants discuss experiences and opinions on given situations. Usually about an hour.

Open Card Sort

Researcher tests the user by asking them to sort the given cards into categories which they form. Typically around 15-30 minutes.

Diary Studies

Participants record entries about their every day lives in a log, diary or journal about the activity or experience being studied.

Research for You

Recruitment Screening Service for User Experience Researchers

Our Company

What our company does

We are a recruiting company for UX (User Experience) researchers. We are invested in making the UX research process run more smoothly for everyone involved.

What is in it for you

- Collect willing participants
- Put together pools of participants based on common answers to the questionnaire
- UX researchers provide our company with information on what things they are looking for in participants and then pick a pool
- Researchers connect with participants to set up methods of research

How to get involved

*“We help change
the world of
design one
participant at a
time”*

HOME

Research for You

Recruitment Screening Service for User Experience Researchers

Our Company

What is in it for you

How to get involved

1. You have a say in the design of new products and services to best fit your needs
2. You are compensated for the time and effort you put into participating in the research
3. You can sign up and stay informed. If the research you get chosen for comes at the wrong time in your life, or you do not think that it is right for you, you can decline the offer. The final decision is always up to you.

SIGN-UP

* Note: The type of compensation and the amount depend on the type of research *
